## About Us.

Eduvos is one of South Africa's largest independent private higher education institutions with 12 campuses across the country. We offer over 27 internationally recognised qualifications across four future-facing faculties namely Applied Science, Commerce and Law, Humanities, and Information Technology.

We provide our students the opportunity to experience a flexible learning approach, full-time, online part-time or self-paced, through our flexible learning strategy where students learn through face-to-face campus and online engagement, self-study and group activities.

Start exploring your journey of limitless learning.

[eduvos.com](https://www.eduvos.com)

**W** Eduvos, as a real-world ready institution, prepared me for the real world and I had support from all the lecturers and student advisors. At Eduvos every student matters.

— Lebohang Khaeane,  
Eduvos BSc Information  
Technology Graduate

# Transform your tomorrow. Today.

At Eduvos, we know that you're more than just a student. That's why we've created a study experience that fits into your life. The choices you make today set the tone for your tomorrow, but that doesn't mean you can't enjoy each step along the way.

Eduvos empowers you to future-proof your skills whilst immersing yourself in an exciting, multicultural student experience. Enjoy holistic 21<sup>st</sup> century learning that goes way beyond the lecture hall.

Choose one of over 27 qualifications today.

## A Word From Our Leader.

Siegie Brownlee, CEO

“At Eduvos, we believe that every student is unique, and we aim to give all our students the best possible knowledge, skill and grounding to flourish in the dynamic working world. We realise that to support this, our role as an educator has evolved and that students require a holistic learning experience that includes practical links into industry; wellness and psycho-social guidance and support; dynamic learning - including meta-learning; and qualifications that are relevant to pave the way for employability or promotion.

We pride ourselves on our impactful campuses, expert academic staff, technology-driven academic content and on the variety of degrees and certificates that we offer. These accredited, internationally recognised degrees offer a world of opportunity for our students both locally and abroad.

At Eduvos we put our students at the centre of their learning experience.

Our flexible learning approach allows students to create a study schedule that works for them. Through our flexible strategy, students get the best of both worlds through face-to-face engagement, online activities, and self-study. One-on-one support from our lecturers, who have both industry and academic backgrounds, will ensure that you get the personalised attention you need.

Student employability is a priority, and our student-centred approach enables us to equip students with a real-world education – a springboard for career success. Our industry connections, practical real-work immersions and employability workshops and events are just some of the keys we provide to open the doors to limitless possibilities.

Through our monthly payment options, and the many bursary and student finance partners we are linked to, we have truly made it our mission to make education accessible to all.

We believe that a good education is the gateway to a better life and a way to master your potential.

We would be delighted to welcome you to Eduvos! ”

EDUVOS

# Purpose, Vision & Values.

At Eduvos we are driven by our purpose of shaping potential – student by student – towards Africa’s prosperity.

Our values act as a guide to how we operate at Eduvos. We believe that by living our values we will meet our vision of becoming a thriving African meta-university\* that combines scale, quality and culture.

Eduvos Values:

We show up with humanness.

We contribute by driving relevance.

We take accountability to learn and grow.

We think and act with entrepreneurial spirit.

# A Brief History of Eduvos.

Our organisation has a rich history in Higher Education that spans nearly 45 years.

2011

2021

Started in 1979, CTI and the then MGI were combined into a new organisation called PIHE. The aim was to establish a growing and credible institution with high quality and a wide footprint in private education in South Africa.

In February 2021 PIHE was bought over by a consortium comprising EXEO Capital and Stellenbosch Graduate Institute, and the organisation was renamed and registered as Eduvos, with the purpose of shaping potential - student by student - towards Africa's prosperity.

# Accreditation & Quality Assurance.

## We've got you covered!

As a degree-conferring institution, we are proud to offer qualifications that are accredited, registered and quality-assured according to regulatory requirements set out by the Department of Higher Education and Training.

Eduvos is a registered private higher education institution with the Department of Higher Education and Training (DHET) under the Higher Education Act No. 101 of 1997 with registration certificate number: 2001/HE07/008. Eduvos is accredited by the South African Higher Education Quality Committee (HEQC) (South Africa) of the Council on Higher Education (CHE) which assures that qualifications are internationally acceptable.

Eduvos qualifications are recorded on the National Qualification Framework (NQF) by the South African Qualifications Authority (SAQA). Where applicable, qualifications are registered, recognised or endorsed by the relevant professional bodies.

### **Pursue professional body memberships with accredited Commerce qualifications:**

- Association of Chartered Certified Accountants (ACCA) (Eduvos is an approved Learning Provider)
- Chartered Institute of Management Accountants (CIMA)
- Cape Town Tourism (CTT)
- The Institute of Accountants and Bookkeepers (IAB)
- The Marketing Association of South Africa (MASA)
- South African Institute of Chartered Accountants - Associate General Accountant (SAICA AGA (SA))
- South African Board for People Practices (SABPP)

### **Earn micro-credentials with some of our Commerce qualifications:**

- SAGE Payroll and Pastel
- Airfares and Ticketing (Certificate in Domestic Fares and Ticketing)
- Global Distribution Systems (Certified Galileo Reservations)

### **Earn industry certifications with some of our IT qualifications:**

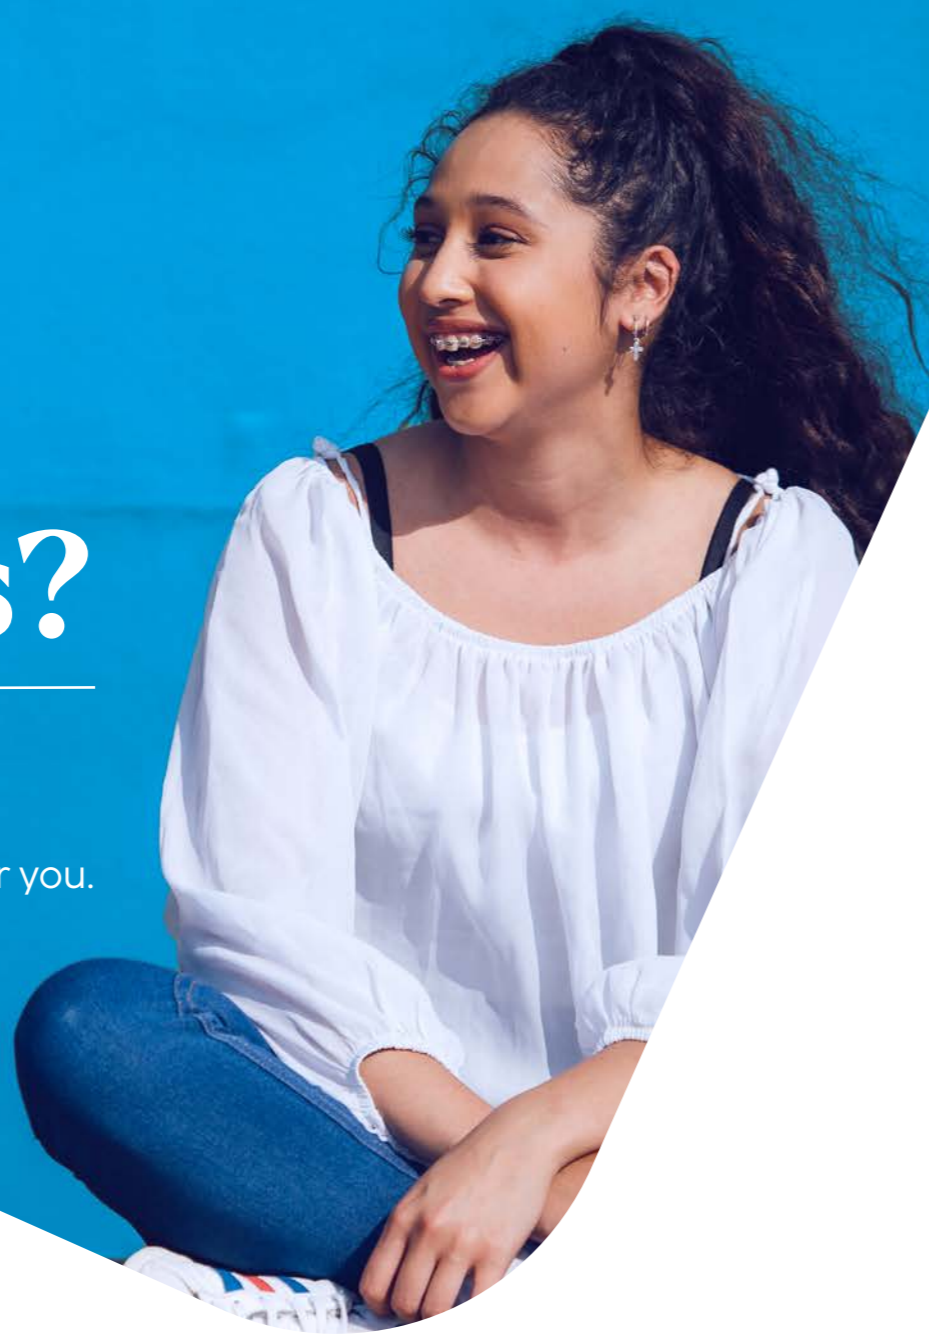

- Amazon Web Services (AWS) Academy
- The Computing Technology Industry Association (CompTIA)
- Microsoft Azure Artificial Intelligence (AI) Engineer

Eduvos provided me with the ability to work at my own pace and not feel rushed. The courses at Eduvos helped me prepare for working in a real-world environment with programming languages like SQL and Python which I use extensively in my current role.

– Edre Mostert,  
Higher Certificate in  
Information Systems  
(Engineering)  
Graduate

# Why Eduvos?

Eight great reasons why Eduvos is the perfect fit for you.

## 01 12 Cutting-edge campuses across South Africa

Through our 12 dynamic campuses spread across the country, we're changing our communities by making high-quality education accessible to all. With over 8700 students representing 47 nationalities, each of our multicultural campuses is a gateway to global connectivity.

## 02 Flexible learning

At Eduvos we put you at the centre of your education. [Smaller class sizes mean closer interaction with our lecturers, which encourages better understanding, results and independent thinking.](#) Credible, tech-driven and practical, our programmes equip you with internationally recognised skills.

## 03 Industry-ready graduates

Building on a foundation of an industry-led curriculum, we are responsive to the demands of the job market. Therefore, we ensure that our material, academic content and academic services are relevant and continuously updated so that our graduates are workplace ready.

## 04 World-class academic staff

Our experienced staff have both academic and industry backgrounds – they've been on the frontlines of the professional world and know what it takes to succeed. Get the perfect blend of textbook and real-world learning from experts committed to your success. [Eduvos - qualifications that count.](#)

## 05 Limitless possibilities

The ever-changing working world has embraced the combination of home and office. That's why we offer 21<sup>st</sup> century learning that goes beyond the lecture hall.

## 06 Numerous qualifications

Choose from diverse qualifications including degrees, higher certificates and short learning programmes across our 4 future-facing faculties. [Designed to equip you with marketable skills that increase your workplace value.](#)

## 07 Your employability. Our priority

It's not simply about studying, it's about building the practical, real-world skills and experiences you'll need to conquer the workplace. [It's about future-proofing your career.](#) Through ongoing relationships with our industry partners as well as our online employability centres and online and face-to-face workshops and events, we open the doors of opportunity.

## 08 State-of-the-art facilities

Step into the digital world and access unlimited online tools with our fully equipped computer labs and resource centres found on each campus. Get practical skills in our biomedicine laboratory in Midrand, which provides a workspace for our students to master and apply sought-after workplace skills.

# Learning Methodologies.

## Inside limitless learning.

At Eduvos, we understand that there's life beyond our campus walls. Making learning a collaborative process, our interactive and supportive approach to studying sets us apart.

Eduvos qualifications are presented in English and guided by relevant, quality-assured and industry-led curricula. We cultivate the kind of future-proof skills that impress employers. That's why we're driven by a mix of learner needs, industry trends and workplace demands. In keeping with this holistic approach, we've developed unique methods to encourage participation, promote active learning and prepare you for tomorrow's tech-driven workplace. We give you the platform to meet today's study goals on the path to realising tomorrow's career goals.

Critical thinking, goal setting, creative problem-solving, teamwork and communication are just some of the 21<sup>st</sup> century skills you'll build during your time at Eduvos – the skills employers actively seek.

With learning tailored to your study style, you're empowered to create your own flexible study mode and schedule.

Tradition meets technology to create flexible learning that goes beyond the lecture hall.

In addition, our learning methodology utilises the following techniques and activities:

 Technology-Enhanced Learning (TEL)

 Practicals

 Work Integrated Learning

 Student Support

At Eduvos we understand the difficulties and complexities that learners face in an uncertain world. Our Student Wellness & Support team are available to equip students with the skills and necessary support to cope and thrive in challenging circumstances and environments.

Our support services include: regular events and workshops on life skills and topical issues; on-site campus counsellors; and a 24 hour help-line.

# Your Employment. Our Priority.

## Get workplace ready.

Transforming your tomorrow depends on what you do today. That's why Eduvos helps you build the right career connections from day one. We're committed to maximising your employment opportunities.

Credible, tech-driven and practical: our programmes equip you with sought-after skills throughout your learning journey. Get the competitive edge by building ongoing relationships with our industry partners.

## Our employability events include:

-  Work-readiness workshops for alumni and current students
-  Virtual and face-to-face career fairs
-  Networking events with industry partners
-  Final year student workshops
-  Virtual employability centre
-  Support with job and recruitment opportunities

# Learning Comes to Life.

## Campus life.

There's an Eduvos campus near you. As one of South Africa's largest independent private higher education institutions, we have 12 cutting-edge campuses spread across the country. In this way, we're changing our communities by making high-quality education accessible to all.

Take student life to the next level at Eduvos. Generally located near major transport links, restaurants, shops, libraries, and hotspots, our campuses are at the heart of vibrant neighbourhoods.

Several campuses offer mini-bus transport with a variety of pick-up and drop-off points so that students can arrive at campus safely and on time to start their day of learning.

Developing the 21<sup>st</sup> century skills the market demands, our future-facing campuses have fully equipped IT labs, resource centres, and employability centres that develop your interview and networking know-how.

By providing education for the real world, we take you beyond the possibilities.

**W** I picked Eduvos because of the smaller class sizes and the chance to establish close relationships with other students and my lecturers. I thrive in a collaborative environment, and I relished the opportunity to engage with other students and work together to complete projects.

— Jandrie Klopper,  
Eduvos BSc in  
Information  
Technology Graduate

## Searching for Accommodation Near our Campuses?

All our campuses can provide you with details of safe, secure, comfortable and accessible accommodation in and around the area where they are located.

For more information on the facilities at our individual campuses, get in touch with a campus near you – refer to page 41 for campus contact details or visit our website.

# Choosing Your Career:

STEP

1

## Get to know you.

At Eduvos, we know that what defines you goes beyond your studies. You're a work in progress and we're here to help you through your journey. While you may not yet know what career to pursue, it all starts with opening yourself up to the possibilities.

In narrowing down your options, think about what interests you, and what you're good at. Don't panic if the two don't align; that's why we're here.

STEP

2

## Write it down.

Robotics engineer. Biomedical technologist. These days it's not just about doctors, lawyers and accountants, there's a whole new world of professions.

Make a list to keep up with the constantly evolving job market - if something piques your interest, write it down! Don't be afraid to transcend tradition.

STEP

3

## Explore your options.

Once you have a few jobs on your list, take some time to explore each one. Consider the skills you'll need to do the job and find out which institutions offer the required qualifications.

Get hands-on exposure by shadowing an expert in the industry or simply speak to someone "in the know".

STEP

4

## Keep it real.

Be honest with yourself about the jobs that appeal to you. What does the future look like for your chosen career? Is there room for innovation?

Stay realistic but don't limit your dreams. If your budget or points don't allow you to pursue your passion immediately, draw up a "road map" of how you'll eventually get there.

STEP

5

## Sleep on it.

Don't make a snap decision when choosing a career path. Ensure that you've thoroughly explored your options, spoken to people in the field and found out what it takes to really succeed.

If you're still uncertain, consider taking a gap year to get some work experience, or do a few short online courses to kick-start your journey. Your tomorrow is your choice, don't make it lightly.

STEP

6

## Stay flexible.

Deciding today what you want to do "for the rest of your life" is very daunting. But have you ever considered that you don't necessarily have to do one job until the end of time?

Nowadays it's all about being adaptable. That's why we give you the future-proof skills you'll need to evolve in line with an ever-changing workplace... and with your limitless passions.

# Full-Time Faculties & Programmes.

## Admission requirements

Refer to pages 31-37  
for admission requirements  
for each faculty.

## Campus offering

Visit our website [www.eduvos.com](http://www.eduvos.com)  
or contact your preferred campus  
to see where your desired  
qualification is offered.

**W** Studying at Eduvos has been instrumental, I was invited to join an Alumni group, where job opportunities were shared. That is where I applied for a role and my application was successful.

— Lindokuhle Vanessa Mkhalihi,  
Eduvos BSc in Informatics  
Graduate

## Pre-Degree Foundation Programme.

Bridge the gap between school and higher education in a highly supportive environment with our Pre-degree Foundation Programme.

Master the knowledge and academic skills you need to pursue your dream degree and open the door to your tomorrow.

### No time to study full-time?

Study part-time, online – in your own time.

Check out page 26 for more info.

# FACULTY OF Applied Science.

Biotechnology and Biomedicine gets you ready for a career as a scientist and researcher. Take those math tests and science projects to the next level with a Bachelor of Science degree. Apply your mind and change the world. Because life is not an experiment.

#### Admission requirements

# Eduvos Admission Requirements.

Visit [eduvos.com](https://www.eduvos.com) for more information.

## Admission Requirements.

### South African Senior Certificates achieved prior to 2008.

If you have not complied with the minimum statutory matriculation requirements for admission to a bachelor's degree, please contact one of our Higher Education Consultants for alternative paths of admission.

### South African National Senior Certificates achieved after 2008.

#### Minimum admission requirements for undergraduate degrees:

- You must pass at least 6 out of 7 subjects with a minimum of:
  - 40% or Level 3 for your Home Language;
  - 50% or Level 4 for four other high credit subjects (excluding Life Orientation);
  - 30% or Level 2 for two other subjects
- For your Eduvos APS calculation, Life Orientation will be granted 3 points from any percentage above 40%
- Alternatively, the endorsement on your NSC may grant you admission into a Higher Certificate or Foundation Programme

#### National Certificate Vocational (Level 4) admission requirements:

- You must pass 7 subjects by achieving a minimum of:
  - 40% in English Language
  - 30% minimum in Maths/Maths Literacy
  - 40% in Life Orientation
  - 50% in each of 4 vocational subjects

#### For Admission into a Bachelor's Degree:

- You must have achieved a minimum of 60% in three Fundamental subjects (English, Mathematics or Math Literacy or Technical Mathematics, Life Orientation)
- You must have a minimum of 70% in the four Vocational subjects, chosen from the NC(V) registered subject list

The NCV (Level 4) subjects must relate to the degree for which you intend on enrolling for.

### Calculation of Eduvos points

NSC%	90 - 100%	80 - 89%	70 - 79%	60 - 69%	50 - 59%	40 - 49%	30 - 39%	0 - 29%
Points	8	7	6	5	4	3	2	1

## General requirements:

Qualification	Minimum admission requirements
Pre-Degree Foundation Programme	<ul style="list-style-type: none"> <li>• South African National Senior Certificate (NSC) with Bachelor's degree, Diploma or Higher Certificate endorsement</li> <li>• Or a National Certificate (Vocational) level 4 issued by the Council of General and Further Education and Training with Bachelor's degree, Diploma or Higher Certificate endorsement</li> <li>• Or a Certificate of evaluation on a minimum NQF level 4 for foreign qualifications confirmed by SAQA</li> <li>• Or a letter or certificate confirming an exemption from Universities South Africa (USAf) for any other School leaving results</li> <li>• And 40% or above for Grade 12 or equivalent in English as a home or first additional language</li> </ul>
Short Learning Programmes	<ul style="list-style-type: none"> <li>• South African National Senior Certificate (NSC) with Bachelor's degree, Diploma or Higher Certificate endorsement</li> <li>• Or a National Certificate (Vocational) level 4 issued by the Council of General and Further Education and Training with Bachelor's degree, Diploma or Higher Certificate endorsement</li> <li>• Or a Certificate of evaluation on a minimum NQF level 4 for foreign qualification confirmed by SAQA</li> <li>• Or a letter or certificate confirming an exemption from Universities South Africa (USAf) for any other School leaving results</li> <li>• Or a Completion of a Bachelor's degree, Diploma, Higher Certificate or equivalent</li> </ul>
Higher Certificate	<ul style="list-style-type: none"> <li>• South African National Senior Certificate (NSC) with Bachelor's degree, Diploma or Higher Certificate endorsement</li> <li>• Or a National Certificate (Vocational) level 4 issued by the Council of General and Further Education and Training with Bachelor's degree, Diploma or Higher Certificate endorsement</li> <li>• Or a Certificate of evaluation on a minimum NQF level 4 for foreign qualification confirmed by SAQA</li> <li>• Or a letter or certificate confirming an exemption from Universities South Africa (USAf) for any other School leaving results</li> <li>• Or a Completion of a Bachelor's degree, Diploma, Higher Certificate or equivalent</li> </ul>
Bachelor's Degree	<ul style="list-style-type: none"> <li>• South African National Senior Certificate (NSC) with Bachelor degree endorsement</li> <li>• Or a National Certificate (Vocational) level 4 issued by the Council of General and Further Education and Training with Bachelor's degree endorsement</li> <li>• Or a letter or certificate confirming an exemption from Universities South Africa (USAf) for any other School leaving results</li> <li>• Or a Completion of a Bachelor's degree</li> <li>• Or a Completion of relevant Foundation Programme along with a letter or certificate of exemption from Universities South Africa (USAf)</li> <li>• Or a Completion of relevant Higher Certificate</li> </ul>

## Evaluation of Qualifications

If you have an international qualification, a South African qualification other than a National Senior Certificate or you've completed your Senior Certificate (SC) prior to 2008.

Visit [eduvos.com](https://www.eduvos.com) for more information on Admission Requirements.

## Immigration Requirements

If you aren't a permanent resident in South Africa and require guidance and support in meeting the Immigration requirements.

Visit [eduvos.com](https://www.eduvos.com) for more information on Immigration Requirements.

## Mature Age Exemption

Candidates who do not meet the Bachelor's requirements and who will be turning 23 years or above in their first year of registration may be considered.

Visit [eduvos.com](https://www.eduvos.com) for more information on Mature Age Exemption.

## Recognition of Prior Learning for Access

It is applicable to candidates without the required educational qualification(s) to gain admission into a Bachelor's degree, but who have acquired an abundance of relevant knowledge and skills through work experience, related to the field of study.

Visit [eduvos.com](https://www.eduvos.com) for more information on Recognition of Prior Learning.

# Funding Options.

We have several funding partners who can assist students with financing their studies.

SmartFunder is a leader in education funding solutions. Offering a monthly payment option that allows applicants to pay off their study fees over an extended term by providing them with educational credit.

The ABSA study loan offers you the opportunity to borrow funds at a low-interest rate to support yourself or someone you would like to benefit from study funding.

MANATI Alternate Student Funding's vision is to catapult prospective students with high potential into ultra-employable members of the workforce.

Fundi is South Africa's leading Education Finance specialist. At Fundi, we believe that the more you know, the more you can become. Fundi enables you to pursue your dreams.

Student Hero is a free-of-charge consulting service for funding tertiary education where you can learn about, apply, and qualify from a single platform.

Learn more about how to apply for funding at

[eduvos.com](https://eduvos.com)

# Golden Key.

Golden Key International Honours Society is the world's largest honours society for graduate and undergraduate students.

Eduvos is the first independent private higher education institution in South Africa to be awarded this prestigious membership, joining leading universities such as Wits, Stellenbosch University and the University of Pretoria to name a few. Eduvos students whose marks place them in the top 15% of their respective degrees will be invited to join Golden Key and access the benefits that come along with it. Membership to Golden Key is by invitation only.

The affiliation of Eduvos with Golden Key will open doors to limitless possibilities for our students.

# Vela Trust.

Vela Trust is a non-profit trust that supports education programmes, incubated by Eduvos.

Vela has three focus areas:

## Student support & bursaries

Vela works with higher education partners to **provide bursaries**, holistic **student support** and **employability initiatives** to enable graduates to find meaningful work.

## Tech-driven innovation

Collaborating with a wide range of organisations, Vela **supports the implementation of future-of-work programmes** to inspire entrepreneurship and innovation, and empower young people with the skills they need for the ever-changing world of work.

## Outreach

Vela **drives collaboration**, connecting young people with industry and business with higher education. Knowledge building and sharing are also key parts of their approach.

Vela provides bursaries for Eduvos students for programmes in Technology, Applied Science, Law, Business and Humanities, covering many of the critical skills our economy needs.
